YOUTH CAMP UPDATES!!!

C.C.Y.C. is only seven months away. It will be here before you know it. We are looking forward to having another great week at youth camp in 2012. The theme that has been selected for the upcoming camp is **"The Greatest Story Ever Told"**. All the sermons, Bible verses, sword drills and trivia games will all be based on this theme. The idea we are going for is that all of these activities will deal with the Birth, Life, Death, Burial, Resurrection and Ascension of Jesus Christ. We hope to help bring an understanding to the campers on what the real purpose was for Jesus coming to this earth, and that purpose is to redeem man back to God.

The Ludlow Falls Campground facility is where we will have our camp again for the upcoming year. They have fully completed the "ropes course" through the woods and we will be able to use it for youth camp. Some of the campers have already had the opportunity to go through the course and they really had a fun time with all the different strategic activities they faced. They all involve team work and using your head to solve the different challenges.

Please be sure to make a note for the dates for summer camp at C.C.Y.C. The dates are Sunday, June 17 through Friday, June 22, 2012. We need to start praying for Youth Camp now. Pray that the Lord will continue to bless our efforts for this camp. Pray that other children can be encouraged to come and share the week with us. Pray for the opportunity to teach someone the gospel that has not yet heard it. Pray that we can help in the training of young Christians that will grow up with the desire to serve the Lord in a greater way.

Upcoming Youth Rally

It doesn't seem right but our next youth rally will not be until next year. In February the Countryside Church of Christ in Grabill will be hosting the next scheduled youth event. Be sure to mark your calendars now so that you will be able to plan on attending. Remember it is important to show your support to all the youth rallies. They are what give the youth the chance to see friends from other places. They are always a fun and encouraging time for all. Please support the camp, the youth and the fellow congregations by being a part of each and every youth rally.

Don't Forget

FAMILY CAMP UPDATES!!!

The CCFamCamp will be having a bit of a new look this upcoming year. The dates for camp have been changed from the normal Monday through Thursday schedule to now a Wednesday through Saturday format. July 11-14 will be the dates for the Family Camp this year.

Special Thanks

Since our last newsletter we have had two youth rallies. The first was in September down at Holmes Hill, where we all had a fun time with the different games they had to play. We also had a message by Ben Johnson that encouraged us all to make a difference for Jesus with our life.

The second youth rally was in October and was held at the Bronson Church of Christ. They had Derrick Richardson speak and he challenged the youth on using their talents. The also had a bunch of different games for the kids to enjoy and numerous activities as well. There were some adults there that ate more caramel apples and cotton candy than they should have.

A special thank-you goes out to both congregations for entertaining and educating us for the day. May the Lord bless you for your effort.

Just a Note

Once again I just want to let everyone know how much their effort for the Lord is appreciated. If it were not for the combined efforts of the numerous congregations working together CCYC and CCFamCamp would not be as successful as they have been. It just goes to show you that as the apostle Paul shared with us in **1 Corinthians 12:20** that there are many members but yet just one body, the body of Christ, the Church.

The efforts of these camps are not to glorify any individual or any one congregation. Their purpose is to glorify the name of Jesus. God has been good to us and we pray that He continues to bless our endeavors. Our goal for the upcoming year is still to teach this generation to teach the next generation and in doing so carry out the Great Commission of **Matthew chapter 28**.

This camp manager would appreciate it if your congregation would add C.C.Y.C. and CCFamCamp to your prayer list if we are not there already. I would also encourage you to truly encourage your youth to get active for the Lord sooner rather than later. If we, the adults only think of these camps a selected few times a year then the children will do the same. However, if they see that these things are important to us "grown-ups" all year long then they will make them be a priority in their life as well.

A Servant of the King,

Dave Atchley
